MISSION: Our mission is to provide families with financial support and "love" packages to help ease the burden as they walk the darkest days mourning a beloved child.

WHAT: Our kick off event will be a luau in honor of Clara's first birthday, sadly the only birthday she ever had. For years to come we will celebrate her spirit and her memory through this event. Now, we realize Clara's purpose is to be able to reach out to other families that may not have the same amazing support that we have had through this horrific tragedy. On July 9, 2017 at Auletto's Catering in Deptford NJ, we are inviting family, friends, and community members to come together for a day of fun, hope, and inspiration; but most importantly to accomplish our goal of raising funds to support other families that are faced with the tragedy of losing a child.
